

MEMORANDUM FOR: Richard Lehmar

1. The attached issues paper was tabled at the Warning Improvement and Study Plan (WISP) Steering Group meeting on 28 April.

2. [] has asked that the WISP Steering Group discuss these issues in the next month or so.

3. We should develop a CIA position on these issues over the next month or so in order to vote CIA stock with the DCI before he is asked to take a position on these issues.
